

Possible Delays During Your Visit

August 2-16, 2013: Sequoia and Kings Canyon National Parks

Are You Planning to See the Big Trees in Sequoia National Park?

Intermittent delays may occur in the Giant Forest and other park areas due to maintenance projects. Thanks for your patience! *Construction schedules may change with little notice.*

Utilities Construction Project

Installation of a new water system in a 1.25-mile section of the Generals Highway just north of the Giant Forest Museum is almost complete. You may find occasional delays from 6 a.m.-6 p.m. - **20 minutes or less** with flaggers until the project is completed.

Wastewater System Rehab

Beware of trucks that may be entering or exiting the Generals Highway approximately 200 feet north of the turnoff to Lodgepole Road.

Temporary Campground Closure (one night only)

Sentinel Campground, in Cedar Grove, Kings Canyon National Park, will close with all occupants vacating campsites by 12:00 p.m. (noon) Wednesday, August 7. Campers may re-enter the campground at 8 a.m. on Thursday, August 8. The closure is due to paving of the access road.

How Can You Minimize Delays?

- Give yourself plenty of time to visit.
- Stop by a visitor center, and ask a ranger to help plan your visit.
- Visit the official park website for major road construction updates:
www.nps.gov/seki.

Call 559-565-3341 for road conditions info (24-hour recording only).
